SIMPLIFYING BUSINESS

Business Tools

- Customized web store with web-to-print functionality
- Locally-routed orders from SIGN.COM
- Quote new jobs in seconds with FlexiQuote
- Design and send jobs from anywhere using free Cloud Storage
- Check in while on-the-go with the updated Mobile App

SIGN.COM is an eCommerce site where the sign-buying public can easily order custom signs or banners. All orders are routed to local Guild members for fulfillment.

SIGN.COM is brought to you by the International Sign and Printmakers Guild, a free, member-led organization for sign and print providers. To learn more, visit www.SignPrintGuild.org.

SIMPLIFYING DESIGN

The most comprehensive sign industry design tools:

- Best vectorization and clipart cleanup tools
- Effortlessly design contour paths for Print and Cut output
- All the design tools you need to complete jobs in fewer clicks

Fingertip tools

- The Bad Wrap™ Vehicle Templates
- Clipart, graphics, backgrounds

SIMPLIFYING PRODUCTION

SAi Flexi's out-of-the-box production ensures your business is up and running more quickly

- The industry's most seamless Print & Cut workflow
- Print Wizard quickly steps you through print production
- Ready-made ICC Profiles for numerous media, ink and device combinations

Unlimited possibilities

- 30+ supported file formats
- 1000s of supported printers and cutters

Information on the go

- View job reports on your mobile device
