HD Garment Decorating System

chromablast™ hd

SG400 / SG800

More than Printing. Virtuoso is HD Garment Decorating.

Create like never before with **Sawgrass' Virtuoso HD Garment Decorating System**, the industry's first and only fully integrated system designed specifically for cotton transfer printing. Featuring ChromaBlast transfer media, **ChromaBlast-HD** textile inks and the SG400 or SG800 printers, this system is ideal for decorating white and light colored fabrics with vibrant, durable images that are soft to the hand.

With Virtuoso's low start-up costs, ChromaBlast-HD's low imaging costs and CreativeStudio's curated library of thousands of templates and images, this Virtuoso system is ideal for anyone that wants to start or grow their business with t-shirt printing.

virtuoso®

SG400 / SG800 Printers

The only inkjet printers built specifically for digital decorating.
