

USCUTTER, Inc Wire Transfer Information updated as of 10/14/2016

You are about to make a wire transfer to purchase products from USCutter, Inc. It is important to follow the next steps closely in order for us to match your transfer to your order in our system.

When filling out the documentation from your bank included your order number from our invoice. Additional fees to include in the transfer:

- ✦ The amount the bank will charge for the wire transfer. Make sure you ask the bank what the fee is and add it on to your transfer amount. The fee is deducted from the overall transfer and if you don't add it, the amount will be short and we cannot ship order.
- ✦ \$15.00 USD to cover our banks incoming wire transfer fees.
- ✦ Please note that you may be charged additional local duties and taxes for which you are responsible to cover.

You will receive and email once order is placed with our banking details in order to fill out your wire transfer request.
